# KEN MEDEMA IN CONCERT

SUNDAY, NOVEMBER 11, 3:30PM

First Presbyterian Church, Daytona-- 620 S. Grandview Ave at the corner of Revilo

Blind from birth, Medema is uniquely gifted in improvisation. He employs original music and humor as vehicles for communicating God's grace through the telling of personal stories. Once you've seen him in action, musically engaging both heart and brain, you will definitely want to see him again!

The afternoon will also include recognizing and honoring Dr. Fred Robbins, one of 3 original founders of the Presbyterian Counseling Center. PCC has expanded over 32 years, beyond its continuing base at the First Presbyterian Church to satellite locations in Port Orange, Ormond Beach, DeLand and Palm Coast with 7 therapists, 3 interns and 2 administrative support staff. Accepting a variety of insurance and Employee Assistance Plan (EAP) benefits and utilizing a sliding scale and donation based internships, PCC's licensed counselors conduct nearly 350 therapy sessions per month.

Specially trained therapists teach Circle of Security Parenting classes, anger management and group anxiety and depression support groups as well. From infants to children, individuals to couples and through all life's transitions, PCC is there to provide support.
