

Opportunities to Serve

In March we ran a small item in the bulletin that our some of our new hymnals were disappearing so we felt the need to ask someone to place a church address sticker inside the front cover of each hymnal. Quietly, on her birthday, Naomi Riddle came in and completed that task. We are grateful!

When we have needed someone to mend choir robes or minister robes, we have turned to Madelyn Beers, a master seamstress. As we received an offer for new choir robes, she agreed to come and measure every choir member! What a gift of time and talent!

We have other needs regularly:

Ushers: Ushers and head ushers are some of the first people visitors see as they enter. Could you be an usher, or be trained as a Head Usher, for a week or This is a need we have! Can you help? Call Kristin in the office to learn more: 386-767-8342.

Spire folders and preparers: One morning a month, a group of people come in to fold and tape our Spire newsletter for mailing. Can you help with that?
Call the office to learn more!

Bulletin folders: Each Friday at 9:00 a team meets in the office to fold and staple the bulletins for Sunday worship. If you can help each week or on a regular basis, contact Kristin in the office.

A clean, safe church facility: Every Monday, a group of persons, called "Tom's Team," come to the church to take care of a "punch list" of needs to keep honoring God with our facility. Would you like to learn more? Call Tom Arbogast at 386-761-2283.

Acolytes: We need middle and high school youth to serve as acolytes for either service on Sunday. Denise Mueller is having trouble finding youth to serve in this way. Please consider helping out your church!

Nursery substitutes: Sherry Argenbright needs some people to fill in for emergencies. Please see her note in the Christian Education section of this issue of the Spire.

Vacation Bible School Volunteers: We need youth and adults to help out during VBS, June 15-19 and setup June 8-12. Please fill out the registration form in this issue.

Fellowship Hour: the singular weekly event that brings together visitors, new members, and long time members on most Sundays at noon. It just takes a person, or even better, a group of persons to host it. You will be modestly reimbursed with up to \$35 for your light refreshments. And all who attend have a wonderful time connecting! Please consider hosting by calling Karen Keeney. 386-255-4032.
