

Here are a few last minute announcements that came in after the Spire was completed:

Planned Gifts

Leanne Coleman

Last month, you should have received a letter sent by the Planned Gifts Committee. If you have any questions, or if you need another copy of the letter, contact the church office. Please speak with your attorney, financial advisor, or accountant about the tax benefits of making a planned gift to WBTS. Remember, if you create a simple will that includes a gift to the church, we have two attorneys who will prepare your will at no charge. Please call Kristin if you need more information. Thank you.

Congratulations

Jarrett Moorhouse received his Eagle Rank from Boy Scouts and had his ceremony.

Ethan Moorhouse got an Honor award for making honor roll all 3 years of middle school and was inducted to The National Junior Honor Society.
