Westminster Youth Scholarship

Congratulations to Casey Timbs and Jesse Bookhardt who were awarded Westminster Youth Scholarships on May 14. We were able to give two scholarships this year since we did

not award one last year. Casey and Jesse are very active in the church and are excellent examples of young Christians. We know they will do wonderful things in the years to come. This scholarship is in honor of Ruth S. Killian by her husband Earl.

POMA Scholarship

Casey Timbs was awarded the first Port Orange Ministerial Association scholarship established in honor of Richard L. Hills. Deacon Mike Rosolino of Our Lady of Hope Catholic Church presented the award to Casey on May 28. Applicants had to submit an essay about how their faith has influenced or changed their lives and how they will continue to practice their faith in college.
