FISH 2.0 (Fresh Ideas Start Here)

FISH 2.0 was held at Westminster by the Sea Presbyterian in Daytona Beach Shores on November 1-2. Over 35 people from Central Florida Presbytery and the Presbytery of St. Augustine participated in the

event which featured Rev. CeCe Armstrong, Co-Moderator of the Presbyterian Church (USA) as the keynote speaker. Seven workshops were also offered—two by Rev. Neema Cyrus-Franklin with the PC(USA)'s Office of Christian Formation and other leaders from the two presbyteries. Go to the Presbytery's Facebook page for more photos.
